Circular

12<sup>th</sup> September 2021

Announcing  
**Eklavya Series**  
brought to you by CBSE & IIT Gandhinagar  
Projects and models which help in conceptual understanding of difficult topics  
FOR STUDENTS OF CLASSES VI-XII  
Live Every Sunday  
4 - 5 pm  
FIRST EPISODE (26 SEPT 2021)  
NEERAJ CHOPRA AND  
NEWTON'S LAWS OF MOTION

Dear students,

Kindly be informed that the CBSE is announcing the Eklavya Series for students of Classes VI – XII. So get ready for some interesting questions, assignments which promote out of the box creative thinking and inspiring DIY project videos using local material which relate curriculum to life.

It is live every Sunday 4:00 – 5:00 pm.

For registration and other details, log on to
