

World Environment Day–5th June 2024- Wednesday

Dear Students,

Saudi Arabia will host World Environment Day 2024 with a focus on land restoration, desertification, and drought resilience. Taking this thought forward, IIS Majma'ah plans to conduct the following activities on **5th June - Wednesday**:

- ✚ Special Assembly
- ✚ **Dress Code:** Green
- ✚ **Botanical Garden Show:** Students will decorate their assigned corners with real plants, posters and any other material that will display the true essence of world environment Day. The competition will be amongst the Hawk and the Eagle Teams. The show must have a title and one or two students must explain and justify their title.
- ✚ PowerPoint Presentation based on the theme: **“Accelerating Land Restoration, Drought Resilience and Desertification Progress”** (One presentation each from the Hawks and the Eagles)

Timing: Boys Section: 12: 20 – 12: 50 pm

Girls Section: 12: 55 – 01: 25 pm
